# Remember to Order Early!

**Customers will receive a 10% discount on 2008 Stewardship materials or education materials developed for 2007. Your order must total \$150 or more (before shipping) and be purchased on or before February 29, 2008.**

This catalog provides an overview of the products developed and designed for NACD's 2008 Stewardship Week. There will be no dates on the materials except the calendar poster, so that they will be useable for years to come.

Please visit the Stewardship and Education section at [www.nacdnet.org](http://www.nacdnet.org) to obtain free downloadable materials for your district's stewardship outreach use. Products should be available for purchase November 15, 2007. To reach the store visit [www.nacdnet.org](http://www.nacdnet.org) and select **store** from the main page in the upper right corner or visit the Stewardship and Education section.

The NACD Stewardship and Education Committee has been working to provide Districts and other educators water education materials as well as working ahead on future topics of soil, forestry and more. We hope you enjoy using the materials in your community.

The materials can be used during the official Stewardship Week April 27 to May 4, 2008 or throughout the year at your various events and promotion of stewardship in your community.

**Join in the excitement and celebrate 2008 Stewardship Week and conservation education in your community.**
