

[Date & Event Name] Survey

Thank you for coming today! Please take a moment to provide your feedback. Your responses will help us plan future efforts with the greatest benefits to you.

1. Are there specific topics or speakers that we should include in future events?

- Vegetable production & soil health
- Early establishment of cover crops
- Nutrient management & soil health
- Transitioning to no-till
- Cover crops for weed management
- Choosing the right cover crop/mix
- Planting Green
- Other ideas:

2. What was the biggest thing that you took away from today's event?

3. How many soil health workshops or field days have you attended in the past?

- 0 (first workshop/field day)
- 1-3 events
- 4 or more events

4. Have you made any changes to your management based on information you've learned at soil health events?

- NA
- No
- Yes

If so, what did you change?

5. How likely are you to use information from today's workshop in your own operation?

(1= Not at all likely ... 5 = Very likely)

Presentation (Speaker)

1	2	3	4	5	NA
