Did You Know?

- 17 state presidents came together in 1946 to form NACD.

- NACD’s bylaws established the Presidents Association in 1963 as an affiliate that would further NACD’s purposes, policies and activities, as well as provide a basis for the effective utilization of the talents and experience of current and past state association presidents to these ends.

- The Presidents Association provided leadership and fundraising assistance to purchase the NACD headquarters building in Washington, D.C.

- When it came time to remodel NACD’s headquarters, the Presidents Association encouraged and participated in raising funds for the endeavor.

- The Presidents Association was part of the Envirothon study team that recommended the placement of Envirothon with the NCF.

- For several years, the Presidents Association partnered with the NCF to fund a $10,000 competitive award to a district.
To learn more about the Presidents Association or how you can help support its efforts, please contact one of the group’s board members:
