**EQUIPMENT**

- **Standard Flap Gate - CMP or PVC**
  - Designed for use on PVC and CMP. Flap is galvanized, 12 ga. mild steel. Attachment bracket is steel with a durable powder coat finish. Flap Gate does not have a gasket and is not watertight.

- **Probes - 3/8” Rod**
  - For locating buried tile lines, pipes, underground tanks, and a variety of other applications. Weighted handle works like a post driver to power the probe in and out. The power probes (4.5” and 5.5”) are the only probe that has a weighted handle.

- **Probes - 5/16” Rod**
  - For locating buried tile lines, pipes, underground tanks, and a variety of other applications. Weighted handle works like a post driver to power the probe in and out. The power probes (4.5” and 5.5”) are the only probe that has a weighted handle.

- **Anti-Seep Collars**
  - Anti-Seep Collars help keep your pipe from being washed out. Works with any smoothwall pipe or corrugated plastic tubing. Constructed of 1/16” gum rubber with a wooden frame.

- **Bar Guards - Heavy Duty**
  - Helps eliminate plugged inlets by keeping out big chunks of debris. An excellent choice in any situation where a low-profile, high-capacity intake is required.

- **Bar Guards**
  - The unique design helps eliminate plugged intakes and protects pond tubes from rodent entry. Fights debris to help keep intakes flowing freely. Constructed of 1/4” steel rod.

- **Water Quality Inlet**
  - Water Quality Inlet resists plugging and improves water quality by filtering debris before it enters the drainage system, and it replaces standard inlets in farm fields, ditches, dry dams, and terraces.

- **Watermaster Floating Pump**
  - Move water FAST with the Watermaster Floating Pump! Use it in a variety of applications including floodwater removal from buildings and basements, draining low spots in farm fields and ditches, removing excess water from construction sites and golf courses, and pumping water for fire suppression.
**Promotional Deluxe Lunch Cooler**
- Heavy duty and water repellent.
- Fully insulated main compartment keeps contents cold for 8+ hours.
- Insulated top compartment to separate food.
- Front zippered pocket for condiments and utensils.

**Promotional Lunch Cooler with Water Bottle**
