4130 Lake Tahoe Blvd
South Lake Tahoe, CA 96150

**PRESENTED BY THE NEVADA ASSOCIATION OF CONSERVATION
DISTRICTS**

NACD SOUTHWEST AND PACIFIC REGIONAL 2023 MEETING

DAY 1 HIGHLIGHTS

Wednesday, August 23rd 8am – 6pm

THE BIG PICTURE

U.S. Forest Service, Natural Resources Conservation Services, Department of Interior, and the National Association of Conservation Districts

Panel discussion regarding issues facing conservation districts, and solutions that can be applied across landscapes and partnerships.

LANDSCAPE SCALE MANAGEMENT PROJECTS

Michael Henn/ Sublette County Conservation District, Wyoming

Presentation on the district's collaborative approach that resulted in landscape scale management in the North LaBarge area. This approach covered a variety of practices, from wildfire recovery to virtual fencing.

CLIMATE SMART BRUSH MANAGEMENT

Jeff Fontaine/ Executive Director of Nevada Association of Counties

Unique approaches to prevalent problems facing the SW and PAC Regions

DOD'S READINESS AND ENVIRONMENTAL PROTECTION INTEGRATION (REPI) & SENTINEL LANDSCAPES

Learn how conservation districts can collaborate on REPI and Sentinel Landscapes program.

NACD SOUTHWEST AND PACIFIC REGIONAL 2023 MEETING

DAY 2 HIGHLIGHTS

Thursday, August 24, 8am - 4pm

TOUR STOP 1 - FUELS AND FIRE

Placer RCD/Tahoe RCD

Learn from local conservation districts about their efforts to recover and rehabilitate the landscape from one of Nevada's most destructive wildfires.

TOUR STOP 2 - LESSONS LEARNED FROM THE CALDOR FIRE

Local Fire District

Hear about lessons learned and steps forward as the area recovers from a catastrophic wildfire.

TOUR STOP 3 - POST-FIRE STREAM RESPONSE

Nevada Tahoe Conservation District/ U.S. Forest Service

Discover a local conservation district's approach to ailing streams after fire, addressing the danger to water quality.

TOUR STOP 4 - CREATIVE SOLUTIONS

Tahoe Forest Products Sawmill/ Washoe Tribe

Learn how a partnership with the Washoe Tribe has resulted in a sawmill that is utilizing the salvage timber from the burned areas around Tahoe.

NACD SOUTHWEST AND PACIFIC REGIONAL 2023 MEETING

DAY 3 HIGHLIGHTS

Friday, August 25, 9am – 1pm

PARTNERSHIPS IN BIOMASS PROJECT

Tahoe Forest Products/ Northstar Community Service District/ Julie Kiess, U.S. Forest Service/ Caitlin Miller, Tahoe Fund

Learn how organizations in the region are partnering together to enhance biomass efforts across the region.
